

November and December 2015

Romania

Let us resume our tour of ACEAFNE...

- ❖ On returning from the reunion in Portugal, Mrs. Zepisi Simona made a presentation of the meeting, which can be viewed at:
<https://www.facebook.com/download/216954428638069/Prezentare%20reuniune%20Portugalia.pptx>

- ❖ On November 11th, 2015, the non-formal education training session took place, having as hosts Mrs. Laura Erculescu - Maths teacher, member of the team and inspector at The County Educational Authority and Mrs Zepisi Simona – Maths teacher and coordinator of the project.
- ❖ The agenda comprised:
 1. ICE BREAKING
 2. FORMAL/NON-FORMAL/INFORMAL- video presentation

3. PRESENTATION OF CONCEPTUAL FORMAL/NON-FORMAL/INFORMAL ELEMENTS, (powerpoint)
4. PRACTICAL ACTIVITY – learning styles
5. PRESENTATION OF CONCEPTUAL NON-FORMAL ELEMENTS, (powerpoint).
6. PRACTICAL ACTIVITY.

Every teacher was e-mailed bibliographic materials. Nineteen teachers, members of the project team, participated in the activity. Every teacher's assignment for the next two weeks was to devise a non-formal activity alongside some of their students, (not necessarily from the target group), which they presented during the meeting exchanging good practices, on November 25th, 2015. Every teacher gave a presentation of his/her activity, (strengths, weaknesses, student impact).

In addition, a portfolio was devised, containing activity files, photos, final products).

All the teachers expressed their enthusiasm about this type of activity, which involved students in non-formal contexts.

Finally, a feedback questionnaire was applied, which drew satisfying conclusions as to the organisation of the event.

❖ Meanwhile, the students prepared for the selection contests addressed to those who will benefit from mobilities.

There were four contests:

1. The creation of an album presenting the country, city and school, entitled **”ABOUT US”**

The contest was followed by an interview in English, with the first three students singled out as interviewees. Dates: December 15th /16th, 2015.

2. Essay contest on the following topic: **“The Impact of Pollution on People’s Health”**

The students presented their essays to a board of assessors. The selection was made by age categories, (junior/senior). Dates: December 15th /16th, 2015.

3. Essay contest in English on the following topic: “Sustainability Development and Energy Consumption for an Ecological Society”

The students presented their essays to a board of assessors. The selection was made by age categories, (junior/senior). Dates: December 15th/ 16th, 2015.

4. Creativity contest: three parts:

- Essay about the importance of recycling used materials(written at home, prior to the contest)
- Practical activity, the manufacturing of Christmas decorations out of recyclable materials
- Interview in English. Dates: December 10th -16th , 2015.

Twenty-two out of the forty students from the target group took part in the contests.

- ❖ During the last school week, the 11th G grade students, guided by prof. Simona Zepisi, took part in a workshop manufacturing certain Christmas decorations, out of recyclable materials. The students were seriously involved in the activity, which was both useful(recycling materials), and pleasant(relaxing creativity activity). They were very proud of the resulting decorated Christmas tree.

- ❖ In November and December initial questionnaires were applied to 40 students, 23 teachers, 20 parents and 2 headmasters. A local statistic survey has been carried out. We are expecting our partners' results to centralise them. However, this event will take place next month.....
